

Cleanskin24

Hand Sanitiser & Protectant

Product Code CGCS24

Description Personal hygiene product. Anti-microbial hand sanitiser and protectant

Typical Properties

Appearance: Clear liquid.
Smell: Fatty odour. Safe.

MPI Approvals

C51: Germfree24 No Alcohol, 2017-10-09, Elitepac NZ Limited.
C52: Clear Protect 24, 2020-03-27, Clear Facilities Limited.

Features Benefits

Cleanskin24 is a highly effective hand sanitiser that provides maximum anti-microbial protection for up to 24 hours. Effective against numerous pathogens including Coronavirus, MERS, H9N2, H1N1, Norovirus, E.coli, MRSA and Salmonella.

Use Directions

Step 1: Wash hands with soap and water. Dry hands thoroughly.
Step 2: Spray or foam Cleanskin24 liberally onto the hands.
Step 3: Rub hands together, ensuring you cover all areas of skin and nails, until hands are dry. Cleanskin24 bonds to the skin and becomes effective when dry.

Quality Certifications

CellarGuard conforms to EU Standards EN1500; EN1276; EN1650; EN12791; EN14476; EN13727 amongst many more antimicrobial efficacy tests.
